Case No. 8002014005329

**Public Letter of Reprimand**

On May 2, 2014, the Texas Medical Board issued an Agreed Order requiring you to complete, within 1 year, at least 24 hours of CME in risk management, physician patient communication and communication with colleagues. Additionally, you are required to pay an administrative penalty of \$2000. This action is based on allegations of misusing equipment, behavioral conduct and various incidents involving poor communication at the University Medical Center at El Paso.

These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
